**FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Dear Camp Families,

We hope you are having a fantastic week and that you are as excited as we are to start our summer at Ingersoll. Although it is still months away, we have been hearing concerns about the impact of the Coronavirus on the camp season. We understand the concern and want to give all our registered families some information and insight into how we will be moving forward.

Currently, we are continuing to stay abreast of the situation by referring to the Center for Disease Control and Prevention website and the Office of Early Childhood:

[OEC](#)

[CDC](#)

These two resources are updating consistently and have accurate information on the impact of the virus and the current response throughout the state. As this is a rapidly evolving situation, we do not yet have a clear picture of the extent to which this may impact our summer program. We are currently establishing, and updating, policies and procedures involving possible health screenings while getting on our buses, parent pick up and drop off, morning and afternoon flag (assembly), and hand washing / sanitation stations throughout camp.

We are aware of some school cancellations and that many schools have been preparing for the possibility of closing for extended periods. Each district has a plan of how school closings may impact the current school calendar. We will continue to monitor these developments and communicate with our camp families if these plans impact our summer camp calendar. You can view our current cancellation policies in the attachments that were sent with your confirmation email or at this link: [Parent Agreement](#). We will continue to update our policies as needed, resulting from possible disruptions in our camp schedule.

Thank you for your patience in this manner. Please do not hesitate to contact us with any questions or concerns. We are confident we will provide the same life-changing, memory making, experience for all our campers for the 59th summer! We are committed to providing up to date communication to all our Camp Families concerning this evolving situation and will let you know when we have more information. Have a fantastic rest of your day and we will be making memories at Ingersoll soon!
